REVS +

REVS The only true motor racing simulation on the Commodore 64.

NOW!

REVS+ Much more than a sequel, it's an essential upgrade. It's even better with **COMPUTER AIDED STEERING, FULL JOYS AND JOYSTICK COMPATIBILITY.** It includes four new demanding courses - **OULTEN PARK, SNETTERTON, DONNINGTON PARK** and the infamous **NEUBERGRING**, all serving to make your Commodore 64 the ultimate driving machine.

Position 20 In front: Rick Shaw
Laps to go 5 Behind: Gloria Slap

"Don't be fooled into thinking that this is just another racing game because it isn't!"

COMMODORE USER

"There are race games and there are simulations, but there's nothing quite like *REVS*!"

ZAPP 64!

"I can't wait for *REVS+*. It should be better still!"

GARY PENN FOR ZAPP 64!

FIREBIRD
